Yachts are not required to carry a Life raft or dinghy, If a yacht does not have a life raft or dinghy onboard the crew **SHALL wear lifejackets at all times, unless** the designated skipper (Master) / person in charge of the yacht considers that conditions are such that there is no significant increase in the risk to safety to any person through not wearing a lifejacket, and expressly gives permission for lifejackets or tethers not to be worn. The OA **strongly recommend** that above 15 Knots and

during the hours of darkness lifejackets are worn above deck **at all times.**
